

Mac sitting on the couch eating gummy worms, begins to laugh **hysterically**. Roni asks, with a look of **curiosity** on her face, "what's so funny?"

Mac responds, while still laughing, "I can't wait to go fishing with Grandpa Willie!" "Yea, me too!" Roni says with excitement. Mac still laughing uncontrollably, Roni asks, "I know you're excited but what is so funny; you keep laughing!"

"I'm eating these delicious gummy worms and when we go fishing, we're going to need worms to put on the hook of the fishing pole to catch the fish and I can't wait to give the good flavor gummy worms to the fish."

"Wow," Roni responds. "I can't wait either," as she begins to chuckle with Mac.
